

2026-2027

PARTNERSHIP BROCHURE

OUR ORGANIZATION

Mission

SHPE changes lives by empowering the Hispanic STEM community to realize its fullest potential and to impact the world through STEM awareness, access, support, and development.

Vision

SHPE’s vision is a world where Hispanics are highly valued and influential as the leading innovators, scientists, mathematicians, and engineers.

OUR TEAM

- SHPE Regional Chapter Award 2021
- Viterbi KIUEL Best Virtual Engagement Organization of the Year Award 2021
- Viterbi KIUEL Social Organization of the Year Award 2020
- SHPE Region 2 Chapter of the Year Award 2019
- Center for Engineering Diversity Organization of the Year Award 2019
- #3 in SHPE National for Membership Growth out of 234 chapters in 2018
- National Chapter Development Award 2018
- National Academic Excellence Award 2018
- Latinx Student Assembly Organization of the Year Award in 2017, 2015, and 2012

MemberSHPE

From recruitment efforts to engagement initiatives, we ensure members feel connected throughout their SHPE journey.

Community Outreach

We empower members to give back, inspire the next generation of engineers, and uphold SHPE's mission of community impact.

Academics & Wellness

Through tutoring, study halls, academic resources, and wellness events members thrive both in and out of the classroom to promote a balanced and successful college experience.

OUR COMMITTEES

SHPE-USC is driven by 10 committees that uphold our mission, advance our vision, and reinforce SHPE's five pillars: Academics, Community Outreach, Professional Development, Chapter Development, and Leadership Development.

SHPEtinias

Empowers Latina engineers through mentorship, leadership development, and actively combating imposter syndrome.

Graduate Affairs

We support current and aspiring graduate students while helping them navigate new schools, cities, and academic communities.

TransferSHPE

Through mentorship and tailored resources we help transfer students navigate life at USC by aiding them transition from other universities.

External Relations

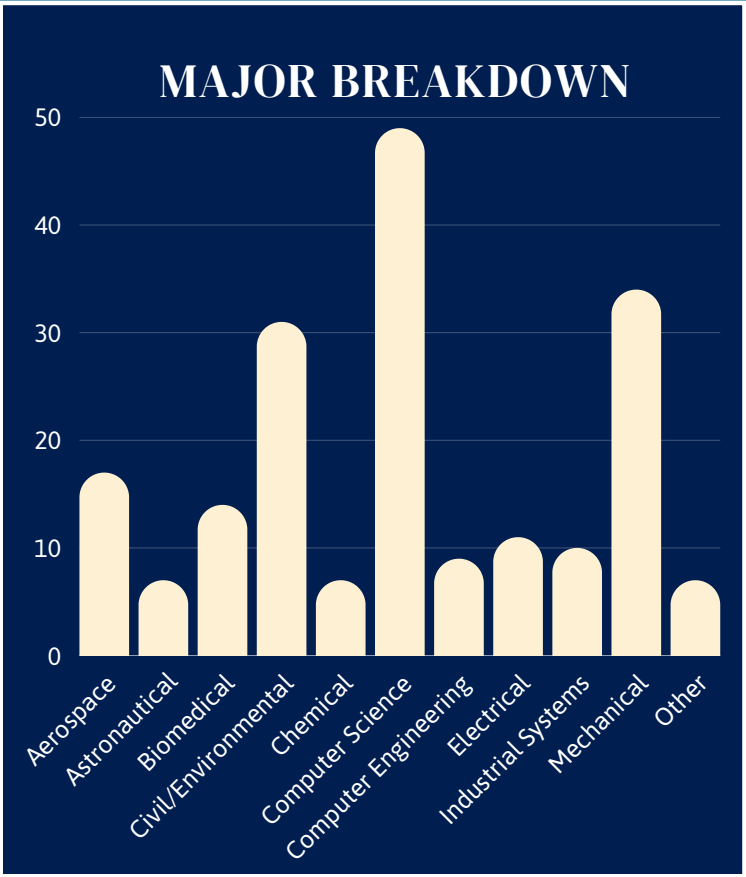

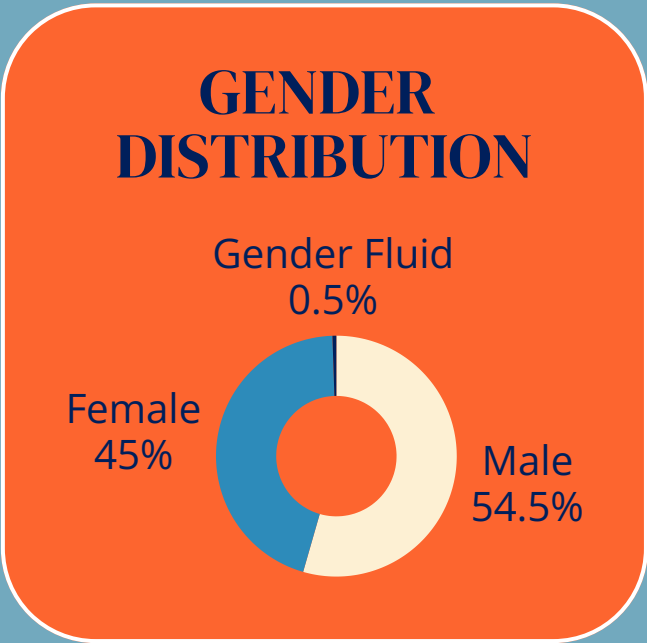

By strengthening our chapter's professional network we provide members with vital career exposure and opportunities.

President/Vice President

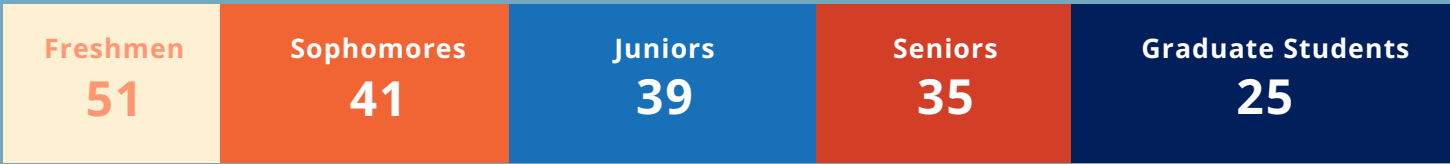

The President and Vice President are committed to leading with purpose by providing guidance and support to all of our committees, ensuring alignment with our chapter goals, and overseeing our MentorSHPE program.

AT A GLANCE

2025-2026

CLASS STANDING

COUNTRIES REPRESENTED

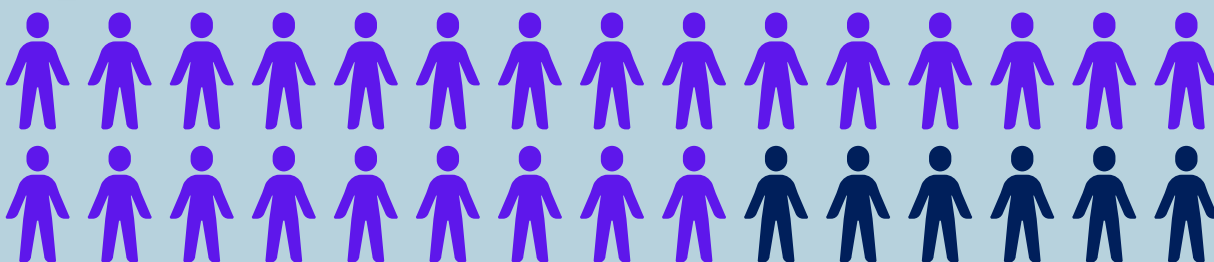

With over 190 members, we're proud to be one of USC's largest Latine and Engineering organizations.

2024 National Conference

80% of attendees **received interviews**

Most USC attendees ever
with **150+ students**

90 undergraduate & 27
graduate student attendees

All students were **FULLY**
funded by USC SHPE

21% OF INTERVIEWED
MEMBERS
RECEIVED
OFFERS

THE SUCCESS OF OUR MEMBERS IS ONLY POSSIBLE WITH THE SUPPORT OF ALL OF OUR SPONSORS.

**** Data was collected from 117 voluntary post convention survey results**

Advancement

PATRON PARTNERSHIP

As a SHPE-USC partner, your investments go directly toward the next generation of motivated SHPE engineers and leaders by realizing any of the following events

Choose your Event Preference(s)

Suggested Sponsorship

Partner-Focused Events

- Host a General Body Meeting \$1900
- Themed / Technical Workshop \$1400
- Company Networking Events \$1100
- Mock Interviews \$1000
- General Member Resume Book Access \$400
- SHPE National Convention Sponsorship \$350+

Student-Focused Events: Partner is Highlighted throughout Event

- End of Year Banquet \$750
- Midterm/Final Study Days \$250
- Club Bonding & Events Any Amount

Community Outreach Events with SHPE-USC

Join/Sponsor SHPE-USC's Community Outreach Events at and around the USC community for free!

Events include Science Nights at Middle/High Schools and making beanies for premature babies!

Partners can also impact these events by donating supplies such as food, activity materials, and more.

Highlight of Events

General Body Meetings

Our bi-weekly meetings feature discussions on topics like professional development and navigating the workplace. Held on Tuesdays with dinner provided, these events foster both learning and community.

Discover Engineering Day

Our largest outreach event invites 200+ middle schoolers for a full day of hands-on STEM challenges, workshops, and an inspiring keynote to spark interest in engineering careers.

Study Nights

We provide multiple classrooms with different learning environments for students to study and do personal work. Academic resources and peer tutors are available for student's academic success.

Day at the Museum

This event brings elementary school families to the California Science Center for a day of discovery, encouraging young students to think like future engineers.

Noche De Ciencias

Held at a local high school, this event connects families with STEM through student panels, hands-on activities, and parent workshops, promoting college and career readiness.

Professional Development Events

Panelists

One of the most popular events among SHPE-USC members. This event elevates the presence of partner organizations for all SHPE members by hearing current representatives' stories and professional experiences.

MemberSHPE Appreciation Banquet

One of our most anticipated events, this end-of-year banquet brings together members, alumni, and sponsors to celebrate our achievements with dinner and recognition.

Mock Interviews

Held before the SHPE National Convention, this event lets members hone their behavioral and technical interview skills to maximize their professional development in preparation for the National Convention.

Resume Workshop

Let current company representatives give their best advice to self-driven SHPE-USC members seeking future roles. Let SHPE members learn how to direct their skillset development to maximize their professional potential

Company Location Visit

Give the opportunity to SHPE-USC members to tour your company's location and view themselves in their future roles! Past tours have included NASA's Jet Propulsion Laboratory, Edwards Lifesciences Irvine Campus, and Clark Construction Jobsite Tours.

Thank You FOR YOUR SUPPORT

On behalf of SHPE USC, we sincerely thank you for considering a partnership with our organization. Your support plays a vital role in empowering the next generation of Hispanic engineers and leaders. Together, we can continue to break barriers, build community, and drive meaningful impact. We look forward to the opportunity to work with you.

¡Mil gracias!

— SHPE USC
